

**CHELMSFORD WATER DISTRICT
20 WATERSHED LANE
CHELMSFORD, MA 01824-4884
(978) 256-2931**

TO: District Customer

FROM: Robert J Delaney, Superintendent

SUBJECT: Water leak

The District has confirmed a leak on your property between the main outside shut-off valve and the house. The maintenance of this portion of the water service is the responsibility of the property owner.

The repair must be accomplished by an Installer licensed by the District (listed below). The Installer you choose will provide you with a Contract, which will be returned to the District upon completion. The District will inspect the new service.

Please feel free to call us if you have any questions.

Thank you.

Licensed Installers for the District:
