

Water District of Chelmsford Summer Water Management Program

May 1st through October 15th

LEVEL 1:

6AM - 9AM or 6PM - 9PM

Odd numbered addresses on odd numbered calendar days and even numbered addresses on even numbered days are allowed to use automatic sprinkler systems and non-automatic sprinkler systems during these times only.

Watering with hand-held hoses and watering cans for small flower and vegetable gardens is allowed from 6AM to 9PM on your designated day using the odd/even model.

Levels in effect will be posted through the Districts and in the local media. The signs will show the level number in the following colors:

Level 1: **GREEN**

Level 2: **YELLOW**

Level 3: **RED**

LEVEL 2:

6PM - 9PM

Odd numbered addresses on odd numbered calendar days and even numbered addresses on even numbered days are allowed to use automatic sprinkler systems and non-automatic sprinkler systems during these times only.

Watering with hand-held hoses and watering cans for small flower and vegetable gardens is allowed from 6AM to 9PM on your designated day using the odd/even model.

Why Do We Need Levels

To ensure adequate pressure and fire protection, storage tanks must be 3/4 full. If this amount cannot be replenished during non-watering times more restrictive hours must be established by going up a level.

LEVEL 3:

NO OUTSIDE WATER USE, EXCEPT HAND HELD, UNTIL FURTHER NOTICE

You can also find out which level is in effect in your district by calling our offices at:

Chelmsford (978) 256-2931
Water District (978) 256-2381
